

CAPABILITY STATEMENT

COMPANY OVERVIEW

Potomac Pallets Plus and Supply Company delivers comprehensive logistics and pallet solutions aligned with the demands of contract operations. The company's offerings include local and regional freight transport, on-demand and scheduled pickups, time-critical STAT courier services, and robust last-mile delivery. It orchestrates full truckload and partial shipments through strategic cargo consolidation and continuous shipment tracking, while in-house pallet manufacturing and recycling provide new and refurbished units tailored to precise load requirements. White-glove delivery and inside placement services further ensure secure handling from origin to destination. By integrating advanced routing software with proactive customer communication, Potomac Pallets & Freight maintains reliable, on-time performance across diverse logistical challenges.

CORE COMPETENCIES

- Local & Regional Freight Transportation
- Last-Mile Delivery Services
- Contracted Logistics Solutions for Government & Private Sector
- Time-Critical & STAT Courier Services
- Freight & Cargo Consolidation
- On-Demand & Scheduled Pickups
- Pallet Manufacturing, Recycling, & Delivery (New & Refurbished)
- White Glove Delivery & Inside Placement

DIFFERENTIATORS

Potomac Pallets Plus and Supply Company operates a dedicated STAT delivery division that reliably meets tight windows and emergency requests for medical, manufacturing, and government clients. Its versatile fleet of 26-foot box trucks—each equipped with liftgates—supports dock-to-dock and curbside service across scheduled runs and urgent shipments. By combining comprehensive freight transport with in-house pallet manufacturing and recycling, the company delivers a one-stop solution that streamlines logistics and ensures load-specific pallet solutions alongside transport.
